Jordon.

My W2 is \$8356 but I have investment income of close to \$30,000/month. I flip houses and apartment buildings so most of my income is not on my paystub. I made \$800,000 this year.

The image is a graphic poster. At the top center is a large, dark gray heart. Below it, the word "LOVE" is written in large, bold, black capital letters. A thick, horizontal yellow bar runs across the width of "LOVE". Below "LOVE" is the word "BEFORE" in the same large, bold, black capital letters. Another thick, horizontal yellow bar runs across the width of "BEFORE". At the bottom is the word "LAWYERS" in the same large, bold, black capital letters. A third thick, horizontal yellow bar runs across the width of "LAWYERS". The background is a light gray color.
